Cut apart the word cards.
Play with a friend or family member.

- Stack the cards upside down.
- Draw as many cards as you wish, one at a time.
- You earn one point for each word with a short ŏ sound.
- If you draw a word with a long ō sound, you lose all points for that turn—oh, oh!
- Take turns. Keep track of your points. Can you be first to earn a total of 15 points? (Reuse the cards if you run out.)
